

State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1536.

This bill provides that, in Prince George's County, written notice of any claim for unliquidated damages for tortious conduct shall be presented to the County Executive.

House Bill 1952, which was enacted by the General Assembly and signed by me on May 16, 1978, generally revises certain provisions for claims against certain political subdivisions and, in doing so, specifies, for Prince George's County, that the County Executive is the official to whom a claim is to be presented.

Since the purpose of House Bill 1536 is accomplished by the enactment and signing of House Bill 1952, it is unnecessary for me to sign House Bill 1536.

Sincerely,  
Blair Lee III  
Acting Governor
