

For these reasons, and at the request of the Secretaries of Budget and Fiscal Planning, of Health and Mental Hygiene, and of Personnel, I have decided to veto House Bill 1849.

House Bill No. 1884 - Public School Construction Loans

AN ACT concerning

Public School Construction Loans

FOR the purpose of prohibiting the State from deducting funds due a county under certain provisions of State law if those funds are deducted because of certain public school construction loans that the county is no longer required to repay.

May 29, 1978

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 1884.

This bill prohibits the State from deducting funds due to a county under certain provisions of State law if those funds are deducted because of certain public school construction loans that the county is no longer required to repay.

Senate Bill 898, which was enacted by the General Assembly and signed by me on May 16, 1978, accomplishes the same purpose.

Therefore it is unnecessary for me to sign House Bill 1884.

Sincerely,
Blair Lee III
