

AN ORDINANCE To add new Sections 12-2500-2514, inclusive, to the Anne Arundel County Code (1967 Edition and Supplements), to Title 12, "Licenses, Permits and Franchises", to be under new Subtitle 25, entitled "Places of Public Assembly", to follow immediately after Section 12-2422 of said Code, to require that certain places of public assembly be licensed, establishing certain definitions, establishing certain structural load and stress requirements, establishing certain procedural and application conditions for licenses applicants, establishing certain conditions imposed on licensees, providing for the issuance of orders under certain circumstances, establishing certain penalties and other remedies for violations of the subtitle, and generally relating to the regulation of places of public assembly in Anne Arundel County.

Approved February 23, 1977.

Bill No. 16-77

AN ORDINANCE to add new Sections 15-500 through 15-509, inclusive, to the Anne Arundel County Code (1967 Edition and Supplements), Title 15, "Public Works", Subtitle 5, "Storm Waters", to follow immediately after Section 15-417 thereof, to generally establish storm water management requirements for certain development in Anne Arundel County, establishing certain purposes and definitions, permitting adoption of certain design standards by the Department of Public Works, providing certain exemptions from application of certain design criteria, requiring that certain persons submit certain plans at certain administrative processing stages, establishing certain standards for the purpose of determining structures to be used in storm water management, exempting certain land parcels from storm water management requirements, providing for waiver or modification of requirements under certain circumstances, providing that certain storm water management facility construction shall be bonded to guarantee satisfactory completion of construction, requiring certain agreements to be executed and funds to be appropriated by certain owners of applicants for storm water management purposes, authorizing the County to engage in certain maintenance and operational activities for failing facilities, establishing certain revolving accounts for maintenance purposes, establishing certain enforcement authority and permitting attachment of certain liens for unpaid costs, assessing certain costs incurred by the County to certain persons, changing certain off-site drainage fee requirements for certain applicants, and generally relating to the establishment of storm water management requirements imposed on the improvement of property in Anne Arundel County.
