Bill No. CB-137-1977
Chapter No. 106

A BILL ENTITLED

AN ACT to amend the Prince George's County Code, 1975 Edition, by adding a new Division 4B, titled "Deep Well Loan Fund", to Subtitle 10, titled "Finance and Taxation", to provide for the establishment of a self sustaining Deep Well Loan Fund for the purpose of making County financed loans on preferred terms and conditions to owner-occupants of single-family, residential structures for the drilling of individual deep wells on said homeowners' properties to avert health hazards caused by existing water supplies which are, or are likely to become, contaminated; to prescribe certain eligibility requirements governing the making of said loans; to empower and authorize the County Executive to make loans from the fund established hereunder; to require the County Executive to prepare and forward to the County Council for approval, rules and regulations governing the maintenance and administration of said fund and the making of loans pursuant thereto; and to require the County Executive to forward to the County Council for approval on at least an annual basis a proposed method of financing said fund.

Approved December 19, 1977.
