

continued to the extent that the powers contained in such laws have not heretofore been exercised, cancelled, rescinded or repealed, and nothing contained in such sections shall be construed to impair, in any way whatsoever, the validity of any bonds which may have been issued by the board of trustees of the State colleges.

REVISOR'S NOTE: These §§ 12A through 12J are identical to Art. 77A, §12A through 12J.

They are transferred to the Session Laws for the reasons stated in the General Revisor's Note to Title 14 of the Education Article.

They are placed under a subtitle for ease of identification.

It should be noted that the name of "The Board of Trustees of the State Colleges" referred to in the sections is now "The Board of Trustees of the State Universities and Colleges".

Art. 77A, §§ 13 through 13J, which dealt with bonds to finance a student union at Towson State University are repealed. Since the union has been constructed and was financed under Art. 77A, §§ 12A through 12J, no bonds have been or will be issued under §§ 13 through 13J.

II. ST. MARY'S COLLEGE OF MARYLAND.

14B. Housing facilities of St. Mary's College of Maryland—Definitions.

As used in §§ 14B-14K, inclusive, in this subtitle, the following words and terms shall have the following meaning, unless the context shall indicate another different meaning or intent: (1) The word "resolution" shall mean resolution adopted by a majority of the members of the board of trustees of St. Mary's College of Maryland; (2) the word "costs" as applied to any project shall embrace the cost of construction, the cost of the acquisition of all land, rights-of-way, property rights, easements and interests acquired by the board of trustees of St. Mary's College of Maryland for such construction, the cost of all machinery and equipment, financing charges, interest prior to and during construction and for one year after completion of construction, the cost of engineering and legal expenses, plans, specifications, surveys, estimates of costs and revenue, other expenses necessary or incident to determining the feasibility or practicability of construction of any project, administrative expenses, and such other expense as may be necessary or incident to the construction of any project, the financing of such construction and the placing of any such project in operation. Any obligation or expense heretofore or hereafter incurred by the said board of trustees for preparation of plans and specifications, and other engineering services in connection with the
