

(a) In this [title] SUBTITLE the following words have the meanings indicated.

(f) "Inspection station" means a facility that is licensed by the Division under this [title] SUBTITLE.

(g) "Repair order certification" means a written certification by an inspection station or police department that:

(1) Certifies that, as of its date, the equipment specified in a safety equipment repair order meets or exceeds the standards established under this [title] SUBTITLE; and

(2) Is signed and dated:

(i) On behalf of the inspection station by the registered individual who personally inspected the vehicle; or

(ii) On behalf of the police department by the authorized police employee who personally inspected the vehicle.

23-102.

(c) The Division shall enforce this [title] SUBTITLE in each of the counties of this State.

23-105.

(a) If a police officer observes that a vehicle registered in this State is being operated with any equipment that apparently does not meet the standards established under this [title] SUBTITLE, the officer shall stop the driver of the vehicle and issue to him a safety equipment repair order.

(e) (1) In cooperation with the Administration, the Division shall adopt rules and regulations to carry out the provisions of this section.

(2) The rules or regulations shall provide for:

(i) Suspending the registration of any vehicle for which a safety equipment repair order has been issued, on failure to comply with the order within 30 days after its issuance; and

(ii) Reinstating the suspended registration, on receipt of satisfactory evidence that the equipment has been corrected or that the equipment meets or exceeds the standards established under this [title] SUBTITLE.
