~~Article - Natural Resources
 Section 3-108(e)
 Annotated Code of Maryland
 (1974 Volume and 1978 Supplement)~~

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That section(s) of the Annotated Code of Maryland be repealed, amended, or enacted to read as follows:

Article - Natural Resources

3-101.

(o) "Wastewater purification project" means [the services, facilities, or properties] ANY SERVICE, FACILITY, OR PROPERTY used or useful or having present capacity for future use in connection with the [reception] COLLECTION OR TREATMENT of liquid wastes [from the collection system of a municipality or person; sludge or other pollutants removed from the liquid wastes, including treatment facilities of all kinds, and all properties and rights therein and appurtenances thereto].

3-105.

(a) The service is responsible for carrying out the following general activities subject to the limitations stated in this section.

(c) Research and developmental studies and investigations into improved methods and techniques of WATER SUPPLY, liquid WASTES, and solid wastes acquisition, transportation, processing, purification, disposal and management, and technical consultation and assistance to design, management, and operation personnel of the service and, pursuant to an order or request, to appropriate municipalities or persons possessing similar responsibilities.

(d) To the extent appropriate in each instance, acquisition, design, construction, reconstruction, rehabilitation, improvement, operation, maintenance, and repair of A water supply PROJECT, wastewater purification PROJECT, and solid waste disposal [projects] PROJECT, pursuant to an order of either the Secretary of Health and Mental Hygiene or the Secretary of Natural Resources as further provided in §§ [3-109 and] 3-110 AND 3-111 of this
