

(2) At any highway crossing or intersection where traffic is not regulated by a police officer or traffic control signal, a deaf or [audio handicapped] HEARING IMPAIRED person has the right-of-way if accompanied by a guide dog.

(3) When the driver of a vehicle at or approaching a crossing or intersection sees a blind or partially blind pedestrian described in paragraph (1) of this subsection, or a deaf or [audio handicapped] HEARING IMPAIRED pedestrian described in paragraph (2) of this subsection the driver shall:

(i) Immediately stop;

(ii) Leave a clear lane through which the pedestrian may pass; and

(iii) Stay stopped until the pedestrian has passed completely through the crossing or intersection.

(b) This section does not affect the movement of traffic at any highway crossing or intersection where traffic is regulated by a police officer or traffic control signal. However, if a blind or partially blind pedestrian described in subsection (a) (1) of this section or a deaf or [audio handicapped] HEARING IMPAIRED person described in subsection (a) (2) of this section has not passed completely through the crossing or intersection when a traffic control signal changes, he retains the right-of-way, and the driver of **each** vehicle at or approaching the intersection shall comply with subsection (a) (3) of this section.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1979.

Approved May 29, 1979.
