

plans or ~~annual~~ revision of plans shall be prepared by the county executive, conformable with the action of the Council in approving the preliminary drafts, taking into consideration significant intervening planning of development changes. The County Council shall hold a public hearing on the proposed final county plans and the ~~annual~~ revision thereof, ten days notice of which shall be given by one publication in a newspaper or newspapers of general circulation in Montgomery County. At least thirty days prior to the date set for the public hearing, the Council shall transmit its proposed final plans to the Washington Suburban Sanitary Commission and the Maryland-National Capital Park and Planning Commission for their recommendations. After the respective public hearings, the Council shall review and amend as it sees fit and approve the proposed plans or annual revision. However, such approval shall not become final until ten days have expired during which time the county executive may review the plan and make whatever recommendations he may deem necessary or desirable for the Council's consideration. Thereafter, the Council shall submit the plan or ~~annual~~ revision to the State Department of Health, all within the time requirements as elsewhere set forth in this section.

2. County plans shall incorporate all or part of subsidiary plans of the towns, municipal corporations, sanitary districts, privately owned facilities and local, State and federal agencies having existing, planned or programmed development within the county to the extent that such inclusion shall promote the public health, safety and welfare, and county plans may incorporate all or part of subsidiary plans covering multicounty areas; provided that such subsidiary plans are approved by the governing body by each county concerned. If the governing body of Harford County does not approve and incorporate in the county plan all or part of the subsidiary plan of the towns, municipal corporations, and sanitary districts within the county, the governing body of the county shall advise the Department in writing of such fact and the specific reasons therefor. Upon the request of either the governing body of the county or the town, municipal corporation, or sanitary district, the Department thereafter shall have the authority to arbitrate and determine whether or not to approve and incorporate all or part of the subsidiary plan in the county plan.

3. In accordance with applicable regulations adopted by the State Board of Health and Mental Hygiene pursuant to subsection (c) of this section, each county plan shall delineate those areas where—

(I) Community water supply systems must be provided;

(II) Multiuse water supply system may be installed;
