

(viii) Adopt and from time to time, revise rules and regulations not inconsistent with the law, as are necessary to enable it to carry into effect the provisions of this subtitle;

(ix) Set and revise, as necessary, the amounts and types of registration fees, fees for renewal of licenses and examination fees. Fees shall have a reasonable relationship to the costs of administering this subtitle;

(x) Keep records of all its proceedings;

(xi) Make an annual report to the Governor and to the Secretary of Health and Mental Hygiene; and

(xii) Evaluate all areas concerning the practice of electrology in this State, including unscrupulous principles and fraudulent acts.

(2) Each member of the Board shall receive compensation as provided by the budget.

(3) The Board shall meet at least four times annually and shall elect from its membership a president, a secretary, and a treasurer. The secretary shall keep a record of all its meetings. The treasurer shall keep a register of the names of electrologists and instructor electrologists licensed under this subtitle which shall be open to public inspection with adequate restrictions for safekeeping. All money collected by the Board shall be paid over to the State Treasurer and shall become general funds of the State.

(e) (1) To qualify as a registered electrologist, a person shall:

(i) Be 18 years of age;

(ii) Show proof of a high school diploma or its equivalent;

(iii) Give written evidence of successful completion of the educational requirements set forth in this subtitle, or meet the requirements established by the Board for reciprocal treatment of licenses from other states; and

(iv) Successfully pass the examination for licensure given by the Board.

(2) To qualify as a certified instructor electrologist, a person shall:

(i) Give written evidence of successful completion of the educational requirements set forth in this subtitle;

(ii) Hold a current license to practice electrology in this State;
