

(iii) Have been engaged in the practice of electrology for a period of at least 5 years immediately preceding the filing of application for an instructor's license; and

(iv) Successfully pass the instructor's examination for licensure given by the Board.

(3) Any school, hospital, or institution of higher learning teaching the practical education of electrology shall be licensed under this subtitle upon meeting the requirements and approval of the State Board for Higher Education and the State Board of Electrologists Examiners.

(f) (1) The Board may withhold, deny, revoke, suspend, or refuse to renew any license of an electrologist, instructor electrologist, school of practical electrology or applicant, or issue a reprimand upon proof that the person:

(i) Is guilty of fraud or deceit in procuring or attempting to procure the license;

(ii) Is guilty of gross negligence in the performance of acts as an electrologist or instructor of student electrologists;

(iii) Has engaged in an act inconsistent with generally accepted professional standards of good electrology practice;

(iv) Has knowingly engaged in any act which before it was committed, had been determined to be beyond the scope of that person's practice of electrology as governed by this subtitle;

(v) Has been convicted of a felony;

(vi) Is guilty of a crime involving moral turpitude if the nature of the offense bears directly on the person's fitness to practice electrology;

(vii) Has violated any provision of this subtitle; and

(viii) Has rendered electrolysis services to a patient while intoxicated or under the influence of drugs.

(2) Upon filing of a complaint under oath or affirmation with the Board charging any licensee or applicant with an offense under subsection (1), the Board shall fix a time and place for a hearing and shall cause a copy of the complaint, together with a notice of the time and place fixed for the hearing to be served on the accused at least 30 days prior to the hearing.
