

Wild Waterfowl

FOR the purpose of requesting the Department of Natural Resources to submit to the General Assembly a plan by which wild waterfowl can be fed to keep them from starving under the adverse conditions which we have recently experienced; and requesting that the Department of Natural Resources submit their plan to the Legislative Policy Committee of the General Assembly by a certain date.

WHEREAS, The State of Maryland has experienced an extremely hard winter covered in most part of the State by snow for at least a 2-weeks' duration; and

WHEREAS, Most of the waters of the State of Maryland during this period were covered with ice; and

WHEREAS, Wild waterfowl were deprived of the opportunity to feed in the water or ground during this duration; and

WHEREAS, Many lives of wild waterfowl have been endangered during this period; and that the Department of Natural Resources has done nothing to feed wild waterfowl during this crisis; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Department of Natural Resources is requested to devise a plan by which wild waterfowl can be fed to keep them from starving under severe weather conditions; and be it further

RESOLVED, That the Department devise this plan by August 1, 1979 and submit the plan to the Legislative Policy Committee at the first meeting of the Committee which is held in August, 1979; and be it further

RESOLVED, That a copy of this Resolution be submitted to the Honorable James B. Coulter, Secretary of Natural Resources; to the Honorable James Clark, Jr., President of the Senate of Maryland; and to the Honorable Benjamin L. Cardin, Speaker of the House of Delegates.

Signed April 10, 1979.
