No. 19

{Senate Joint Resolution No. 35}

A Senate Joint Resolution concerning

Task Force on Documents

FOR the purpose of requesting the Governor to create a Task Force to study and evaluate the system of collecting, distributing, and making accessible various State and local government publications and reports; and suggesting the composition of the Task Force.

WHEREAS, The General Assembly recognizes the necessity of providing better citizen access to publications and reports generated by State and local government agencies; and

WHEREAS, The existing statutory authority for the distribution of government publications is inadequate to assure widespread access to much of the printed information produced by our governmental units; and

WHEREAS, There is a great need to improve the acquisition, distribution, and preservation of these State and local documents by libraries, archives, and government agencies; and
