

WHEREAS, A study and evaluation of the present system of publication, public awareness, distribution, and dissemination of State and local documents would result in recommendations for increased efficiency, affecting both government agencies and citizens; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Governor is requested to create a Task Force on Government Publications and Reports to study possible improvements of the present system of collecting, distributing, and making accessible various State and local government documents, and be it further

RESOLVED, That the Task Force shall consist of the Governor or his designee, one member of the House of Delegates, one member of the Senate of Maryland, one representative of the Division of Library Development and Services of the State Department of Education, one representative of each State Depository Library and Agency as specified in Article 40 Section 53 of the Annotated Code of Maryland, one representative of the Division of State Documents, and at least four members of the general public who are concerned with the quality of library services in this State; and be it further

RESOLVED, That a copy of this Resolution be sent to the Honorable Harry Hughes.

Signed May 1, 1979.

No. 20

{Senate Joint Resolution No. 37}

A Senate Joint Resolution concerning

Hospital Regulations Study Commission

FOR the purpose of requesting the ~~Governor~~ Legislative Policy Committee to appoint a Commission to study the duplication of hospital regulations; providing for the appointment of certain members to serve on the Commission; and requiring the Commission to report its recommendations to the Governor and the ~~General Assembly~~ Legislative Policy Committee by a certain date.

WHEREAS, In December 1978, the Maryland Hospital Association published the results of a partial survey of the areas of regulation to which its member institutions are subject; and
