Honorable James Clark, Jr.  
President of the Senate  
State House  
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 632.

This bill provides that the Commissioner of Labor and Industry may not be required to pay any filing fees or court costs of any nature in connection with any action or proceedings instituted in the performance of his duties. I am aware of no justification for treating the Labor and Industry Division of the Department of Licensing and Regulation in a manner different than the citizens of this State and the vast majority of other State agencies with respect to court costs.

For the reason stated, I have decided to veto Senate Bill 632.

Sincerely,  
Harry Hughes  
Governor
