Honorable Benjamin L. Cardin  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 825.

This bill requires each educational institution to provide the Employment Security Administration with the name and social security number of each nonprofessional worker, before July 1, who has reasonable assurance that he will perform the service in the next academic year or term.

The Attorney General has advised me that the title of House Bill 825 is defective and therefore in contravention of Article III, Section 29 of the Maryland Constitution. A copy of the Opinion of the Attorney General is attached and should be considered a part of this veto message.

For this reason I have decided to veto House Bill 825.
