

This bill includes library associates in the Anne Arundel County public library system within the coverage of the Teachers' Retirement System.

At its meeting of March 13, 1979, the Board of Trustees of the Teachers' Retirement System determined that Public Library Associate positions are the equivalent of provisionally certificated library staff and are therefore eligible for membership in the Teachers' Retirement System. The Board's action achieves the same result and obviates the need for a change in the statute.

For this reason I have decided to veto House Bill 901.

Sincerely,  
Harry Hughes  
Governor

House Bill No. 931

AN ACT concerning

Gaming Laws - Disposition of Contraband Money

FOR the purpose of prescribing the effect of probation under Article 27, Section 641, on a claim for return of money seized for a violation of gaming laws; and generally relating to claims for return of such seized money.

May 29, 1979

Honorable Benjamin L. Cardin  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 931.

This bill prescribes the effect of probation on a claim for return of money seized for a violation of gaming laws.

Senate Bill 604, which as enacted by the General Assembly and signed by me on May 1, 1979, accomplishes the same purpose.

Therefore it is unnecessary for me to sign House Bill 931.
