

Bill No. 38

AN ACT to repeal Section 20.307 of Title 20 of the Howard County Code, entitled "Sewer Use Charge" and enact new Section 20.307 entitled "Water and Sewer Use Charges, Sewer Surcharges, Industrial Cost Recovery Charges" to provide for the levy of water and sewer use charges, sewer use surcharges, and capital cost recovery charges upon users of the public sewer system; to provide for the computation, billing, and collection of charges and surcharges; to provide for the measurement of discharges to the public sewer system; to provide for the disbursement and investment of collected revenues; to provide for the appeal of charges and surcharges determinations; and to provide for penalties for violations of the provisions of this Section.

Approved November 6, 1978.

MONTGOMERY COUNTY

Bill No. 14-77

Chapter 1

AN ACT to amend Chapter 49, title "Streets and Roads", of the Montgomery County Code 1972, as amended, by repealing and re-enacting with amendments Section 49-43, subtitle "Waivers of requirements of article" to add a new subsection (g) to permit the County Executive to waive under certain procedures the Road Code standards in the case of unforeseen disasters or emergencies such as floods, hurricanes or public health crises or to comply with certain federal and state actions issued in connection with such disasters or emergencies.

Approved July 18, 1977.

Bill No. 10-77

Chapter 2

AN ACT to repeal in its entirety Section 32-18 of the Montgomery County Code, 1972, title "Massage establishments; Turkish, Russian or medicated baths", and to enact in lieu thereof a new Chapter 30-B, title "Massage Establishments and Massage Technicians", to provide for the general licensure or registration and regulation of massage establishments and persons who administer massages pursuant
