Bill No. 21-77

Chapter 30

AN ACT to add a new Chapter 2A, title "Administrative Procedures Act," to the Montgomery County Code 1972, as amended, to promote uniformity of procedures and protect administrative due process rights and other legal rights afforded to parties who utilize and are subject to the administrative hearing process before specified agencies of Montgomery County, Maryland; to specify the applicability of the provisions of this Act to enumerated administrative and/or quasi-judicial hearings; to define the terms used in this Chapter; to establish procedures and requirements for the filing of appeals, complaints, petitions and grievances in enumerated proceedings and for notification of affected parties of the filing of the same and scheduling and conduct of hearings on said proceedings; to set forth pre-hearing procedure requirements including provisions and requirements as to the filing of pre-hearing submissions, matters pertaining to discovery and pre-hearing motions; to set forth provisions and requirements concerning the nature of hearings covered by this Act, the rights and duties of the parties to the proceedings and the rights and authorities of the hearing authority; to establish procedures and requirements for the conduct of hearing, evidentiary, voting and decisional requirements and provide for rehearing and reconsideration, informal disposition and judicial review of any final decision of a hearing authority.

Approved February 17, 1978.
