

(d) The petition for an emergency order shall set forth the name, address, and interest of the petitioner; the name, age, and address of the person in need of protective services; the nature of the person's disability, if determinable; the proposed protective services; the petitioner's reasonable belief, together with facts supportive thereof, as to the existence of the fact stated in [subsection (a)] SUBSECTION (B) (1) through (3) above; and facts showing petitioner's attempts to obtain the person's consent to the services and the outcomes of such attempts.

Article - Natural Resources

1-504.

(b) Except as provided in [section 1-503(c)] § 1-503(B) nothing in this subtitle constitutes a waiver by the State or any agency of the defense of sovereign immunity, and this defense is expressly reserved.

1-506.

(e) A stay pursuant to this section may not be granted if the court finds that the condition or activity complained of either presents an imminent danger to the health, welfare, or safety of the people of the State or results in, or is likely to result in, irreversible or irreparable damage to the air, water, or other natural resources of the State except pursuant to [section 1-504(e)(2)] § 1-504(F)(2).

5-308.

A contract under this subtitle may be assigned and transferred to the buyer of all or part of a tract. If the buyer assumes the obligation of the contract it is transferred to him, and no revised assessment or tax bill is due under [§ 5-305] § 5-306.

8-602.

(a) The Department may adopt any rule or regulation to further its general powers of supervision over natural resources of the State, and for proper conservation for public use, allocation, and development of underground waters of the State. Part II of this subtitle denies any State municipality, county, or other political subdivision the right to adopt and enforce any additional rule or regulation relating to construction of [wells, the] WELLS. THE Department of Natural Resources and the Department of Health and Mental Hygiene shall jointly adopt a single set of regulations on the construction of wells. The regulations shall be effective January 1, 1979. Also, the provisions of Part II of this subtitle do not limit the powers of the Department of Health and Mental Hygiene or any
