

SECTION, are included in the definition of "teacher" as that term is defined in subsection (3) of § 81 of this subtitle for and in connection with any and all of the terms and provisions of § 89(4) of this subtitle.

(3) Notwithstanding any other provision of this article or other statute, the State of Maryland shall make contributions to the retirement and pension system, and contributions for the employer's share for social security, for the benefit of the professional and clerical employees of the department of public libraries of Montgomery County and the Washington County Free Library in the same manner and to the same extent as such contributions are made for the professional and clerical employees for other county public libraries of this State under the terms and provisions of § 89(4) of this subtitle or other statute relating to such contributions. Contributions hereunder shall be made to the retirement system in which such employees are members. The State of Maryland shall continue to make such contributions for all professional and clerical employees of the department of public libraries of Montgomery County after transfer to the employees' retirement system of Montgomery County or such other qualified retirement system as provided in paragraph (1) of this [subsection] SECTION, as if such employees continued under the retirement system. Provided, however, that Montgomery County shall provide by ordinance, resolution, rule or regulation that upon transfer of an employee the employers' and employees' contributions with credited interest shall be transferred from the employees' retirement system of Montgomery County to such other qualified retirement system.

Article 78 - Public Service Commission Law

54B.

(e) For public service companies whose peak demand within the State is less than 1000mw, the Public Service Commission shall request the Secretary of Natural Resources to purchase a power plant site as provided in Subtitle 3 OF TITLE 3 of the Natural Resources Article upon a petition by the Secretary of Natural Resources or the Secretary of State Planning and a finding by the Public Service Commission that such a site is needed.

(1) The finding of the Public Service Commission shall be made only after public notice and hearing. Said hearing shall be held in the legislative district in which the site or sites under consideration are located.

(2) In determining whether there exists a need for the State to purchase a power plant site, the Public Service Commission shall consider the suitability of sites owned by the utility, within and without the State, the anticipated growth of electric power demand and the alternative means and locations for meeting that demand,
