

~~1980 allowance for grants to nursing homes shall be expended without the approval of the Joint Budget and Audit Committee. In approving or rejecting such a plan, the committee shall recommend to the Governor and the Board of Public Works what part, if any, of the \$1,810,901 Fiscal Year 1980 allowance for grants to nursing homes will revert to the general funds. Any such reversions may not be used for any other purpose. The Department of Health and Mental Hygiene shall devise and present to the Senate Budget and Taxation Committee, and the House Appropriations Committee, for their approval by July 15, 1979, a satisfactory plan for solving the long-term problem of nursing home rate reimbursements. The Health Services Cost Review Commission shall also present proposals for alternative reimbursement rates for Chronic Hospital-licensed nursing facilities.~~
