

receive prior approval of the General Assembly in accordance with Article 41, Section 245(c) of the Laws of Maryland.

Provided that no part of this General Fund appropriation shall be paid for the performance of any abortion to any outpatient clinic or outpatient facility that performs Medicaid funded abortions for profit, and provided further that no part of this General Fund Appropriation may be paid to any physician or surgeon or any hospital, clinic or other medical facility for or in connection with the performance of any abortion, except upon certification by a physician or surgeon, based upon his or her professional judgment, that the procedure is necessary, provided one of the following conditions exists:

1. Where continuation of the pregnancy is likely to result in the death of the woman; or
2. Where severe and long lasting physical health damage to the woman would result if the pregnancy were carried to term; or
3. Where medical procedures are necessary for a victim of rape or incest, when the rape or incest has been reported promptly to a law enforcement agency, following conditions exists: where continuation of the pregnancy is likely to result in the death of the woman; or there is a risk that continuation of the pregnancy would have a detrimental effect on the health of the woman; or when the discontinuance of
