

superfluous hair, and the massaging, cleansing, stimulating, exercising, or similar work upon the scalp, face, arms or hands, by the use of mechanical or electrical apparatus or appliances or cosmetics, preparations, tonics, antiseptics, creams or lotions or by any other means, and of manicuring and pedicuring the nails of either sex, which enumerated practices shall be inclusive of the term beauty culture but not in limitation thereof. The term does not include any individual service which cosmetologists are not licensed to perform under this subtitle.

565E.

(m) (3) The Comptroller's office shall maintain the escrow account on behalf of the patient for a period of seven years. If after this period neither the patient, personal representative, heirs, nor any other person entitled to claim the funds has done so, then the funds and any interest earned shall accrue to the State. If property is claimed by a person entitled to the funds or valuables, the State shall return interest earned less costs to the State of maintaining the account. After seven years, [Title II] TITLE 17 of the Commercial Law Article of the Maryland Code providing for disposition of unclaimed property shall apply.

(o) (2) Abuse of patient funds, as defined in [paragraph (a) of this subtitle] SUBSECTION (A) OF THIS SECTION is a misdemeanor, and any person found guilty of abuse of patient funds upon conviction is subject to a fine of \$500.

869.

(b) A license, granted pursuant to this subtitle may not be suspended, revoked, denied, or renewal denied without a hearing, if requested by the license holder or applicant, on due notice. Any action of the [Boards] BOARD taken pursuant to or under color of this subtitle shall be reviewable as provided in the Administrative Procedure Act.

924.

(a) The Board shall waive the education and experience requirements prescribed in § 920 of this subtitle for licensure as an occupational therapist for all applicants whose [principle] PRINCIPAL place of residence is in the State of Maryland and who present evidence satisfactory to the Board that they:

(1) Have been engaged in the practice of occupational therapy in the State of Maryland for at least two years prior to July 1, 1979;

(2) Have a baccalaureate degree in one of the health sciences from an accredited college or university; and
