

(G) COUNTY.

"COUNTY" MEANS A COUNTY OF THIS STATE AND, UNLESS OTHERWISE INDICATED, BALTIMORE CITY.

REVISOR'S NOTE: This subsection is new language added to indicate that a reference in this article to "county" includes Baltimore City, unless the reference specifically provides otherwise.

Art. 1, § 14 of the Code provides that "county" includes Baltimore City "unless such construction would be unreasonable". However, the "unreasonable" language of that section has been interpreted in various ways. Therefore, the Commission to Revise the Annotated Code concluded that a more explicit definition should be included here.

(H) FINANCIAL INSTITUTION.

"FINANCIAL INSTITUTION" MEANS ANY FINANCIAL INSTITUTION OF THE TYPE SUPERVISED UNDER THIS ARTICLE, WHETHER OR NOT STATE-CHARTERED.

REVISOR'S NOTE: This subsection is new language added for clarity.

(I) INCLUDES; INCLUDING.

"INCLUDES" OR "INCLUDING" MEANS INCLUDES OR INCLUDING BY WAY OF ILLUSTRATION AND NOT BY WAY OF LIMITATION.

REVISOR'S NOTE: This subsection is new language added to state expressly that words such as "includes" or "including" are used in this article by way of illustration or expansion and not by way of limitation or restriction.

In light of this definition, phrases such as "but not limited to" are deleted throughout this article as superfluous.

The Commission to Revise the Annotated Code would emphasize, however, that the absence of a like definition in any previously revised article of the Code does not mean that "includes" or "including" is used there in any different sense or that a different legislative intent is implied by the absence of phrases such as "but not limited to". In these revised articles of the Code, the maxim of expressio unius est exclusio alterius and doctrines of similar implication are not intended in any way to be made applicable by reason of the deletion of such phrases.
