

Article 43 - Health

46.

(A) [Such] EXCEPT AS PROVIDED IN SUBSECTION (B), THE local boards of health shall each appoint in the month of May, 1931, and quadrennially thereafter, a health officer, who shall be a well-educated physician and who by virtue of his appointment shall be secretary and executive officer of the local board of health, and in the event of vacancy, a successor for the unexpired term shall be appointed by the local board of health, as soon as practicable. No such appointment shall be made without the advice and consent of the State Board of Health. The health officer shall hold office for four years from the date of appointment, but may be removed by the State Board of Health for cause upon charges made and considered at a regular meeting of said Board. And it shall be the duty of every county health officer, district health officer, or local health officer, immediately after his appointment to appear before the State Board of Health or its accredited representative, and to make oath that he will well and truly discharge the duties of his office; provided that this section be not so construed as to prevent local boards of health from appointing such additional health officers or sanitary officers as they may deem necessary, or as may now or hereafter be allowed by law.

(B) IN ST. MARY'S COUNTY, A HEALTH OFFICER MAY NOT BE APPOINTED UNLESS THE APPOINTMENT IS APPROVED BY THE ST. MARY'S COUNTY BOARD OF COUNTY COMMISSIONERS.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1980.

Approved May 6, 1980.
