

Reimbursable Funds - Funds are appropriated in various University budgets to pay for Data Processing utilization. Authorization is hereby granted to use receipts from data processing services for operating expenses under this program.

36.02.02.10 Maryland Institute of
Emergency Medicine

General Fund Appropriation, provided that \$1,118,769 of the amount appropriated is restricted to and shall be transferred to the Department of Personnel for the payment of Hospitalization Insurance, Employer's Social Security, Teachers' Retirement and Employees' Retirement, and provided that any actual cash receipts generated from salary adjustments and fringe benefit allowances specifically authorized in the permanent rate structure of Maryland Institute of Emergency Medicine by the Health Services Cost Review Commission shall be reverted to the Treasury to reimburse the general funds appropriated herein for these purposes; however, the total amount of reimbursement shall not exceed \$1,118,769, and provided further that the Maryland Institute of Emergency Medicine shall report to the General Assembly the amounts included in the rates authorized by the Health Services Cost Review Commission pertaining to salary adjustments and personnel fringe benefits that have been billed and the amounts actually collected during fiscal year 1981.....
