

134 of the printed bill, to provide funds to implement the initial phase of the revised data processing system for the State Universities and Colleges. The new system will be a distributive approach as opposed to the current centralized approach and is necessary to provide better access to information, additional programs and a greater capacity for information storage.

Object .02 Technical and Special Fees	160,000
Object .11 Equipment - Additional	160,000

General Fund Appropriation.....320,000

37. STATE BOARD FOR HIGHER EDUCATION

36.09.00.07 Peabody Grant

To be added as a new program immediately following line 9908 on page 147 of the printed bill, to provide funds for a grant to the Peabody Institute of the City of Baltimore and in compliance with the provisions of Section 28, Article 19, The Annotated Code of Maryland, 1979 Cumulative Supplement. This appropriation expresses the intent of the General Assembly that grants in the amount of \$900,000 should be included in the budget for fiscal year 1982 and fiscal year 1983. This initial grant shall be made by the State on July 1, 1980. Provided further, that if the Peabody Institute has presented to the Board of Public Works and the General Assembly evidence of having raised by cash or pledge new endowment funds of \$1,000,000 by December 31,
