Administration

In addition to the appropriation shown on page 10 of the printed bill, to provide for two studies to be performed by independent consultant(s) in the Correctional Services area. The first study will consider the inmate classification system to evaluate the present system and make recommendations concerning assessment of risk and efficient management of the inmate population toward the development of more reliable and effective system. The second study will develop a 10 year facilities plan for the Division of Correction and the Patuxent Institution, such study to consider the needs for all types of facilities required for the inmate population and examine the effect of disparate sentencing upon the prison population. Provided that the selection of consultant(s) for the proposed studies is reviewed and approved by the Board of Public Works.
