The General Assembly's
deletion of funds for the
Veteran's Cemetery Program
reflects the belief that
the Federal Fund
appropriation of \$619,012
in Supplemental Budget #1
should be sufficient to
continue the cemetery
projects now in progress
during fiscal year 1981.
It is the intent of the
General Assembly that the
Maryland's Veteran's
Commission should give
priority to complete the
sites, including planting,
and that proposals for
chapels, administration
and maintenance
facilities should be
deferred until additional
funding is made available
in subsequent fiscal
years.
