

23.05.02.02 General Construction Program Contingency Fund
To be added as a new program immediately following line 857 on page 16 of the printed bill, to provide contingency funds in the event that bids for capital projects exceed the estimates for approved projects. In no instance shall any one project receive in excess of 7% of the total construction cost of the project. Before any appropriations are made from this contingency fund, every attempt must be made to affect project scope reductions as a means of accommodating the project within the original appropriation.
