Article - Natural Resources

8-1001.

(b) "Benefited property" means land immediately abutting the waters of the State protected by an erosion control project constructed under the provisions of this subtitle. Also, it may include land in the vicinity of the waters of the State protected by the erosion control project when the owner of the land has rights of access to it immediately abutting the waters -f- and the owner is a party to the [agreement referred to in Section 8-1005 in this subtitle] APPLICATION FOR ASSISTANCE IN THE PROJECT.

(d) "Net project construction cost" means the [part of the project] construction cost paid from the fund, equal to the project construction cost, PLUS ANY EXCESS COSTS, less the PROPERTY OWNER'S cash contribution [of the owner of the benefited property upon completion of construction].

(e) "Project construction cost" means [total initial] THE ESTIMATED cost to construct a shore erosion control project, exclusive of design, supervision, inspection, and maintenance costs.

(f) "Property owner's cash contribution" means the sum an owner of property benefited by a shore erosion control project [agrees] IS REQUIRED to pay in a lump sum [upon approval] PRIOR TO CONSTRUCTION of the project.
