

Services] DIVISION OF CORRECTION in the exercise of the powers hereinbefore contained to diversify its industries in such a manner as not to work a hardship on any one particular free industry.

(d) The [Department] DIVISION of Correction may publish and distribute to the Department of Budget and [Procurement] FISCAL PLANNING a schedule of prices for the purchase of all such [products] SUPPLIES, provided that such prices may not exceed the wholesale market (or equivalent) rates for similar [products] SUPPLIES manufactured, produced, or mined elsewhere in the State of Maryland. The [Department] DIVISION of Correction also may consult and cooperate with the Department of Budget and [Procurement] FISCAL PLANNING and the representatives of such consuming institutions, in establishing certain standards of production, and with such Department and representatives shall determine the style, design, and quality of the [products] SUPPLIES of the producing institutions. Any difference of opinion on prices, standards, styles, design, and quality of such [product] SUPPLIES or products which may arise between the [Department] DIVISION of Correction and a representative of such Department or of any particular consuming institution, agency, or subdivision of the State shall be forthwith submitted for immediate arbitration to a representative of the [Department] DIVISION of Correction, a representative of the Department of Budget and [Procurement] FISCAL PLANNING, and a representative of the State Comptroller or to a representative of the [Department] DIVISION of Correction of the particular consuming institution or agency or subdivision, and of the State Comptroller as the case may be, whose joint determination shall be final and conclusive.

(e) The [Department] DIVISION may place prisoners at labor upon State works whenever in the judgment of the [Department] DIVISION the same shall be expedient and proper, upon such terms as to it seem wise.

(f) The Division of Correction shall submit annually to the Governor, to the Secretary of Public Safety and Correctional Services and to the Secretary of Budget and Fiscal Planning a complete financial report and program of the operation of [state-use] STATE USE industries and of the so-called [State-Use] STATE USE Industries Fund, in the same general manner and form as for the other operations and programs of the Division of Correction, including full information as to present and projected personnel and their compensation; and the Governor and the secretaries shall include data and figures from the report and program of [state-use] STATE USE industries and of the [State-Use] STATE USE Industries Fund in the preparation of the budget and of the capital improvement bill.

(g) The [Department] DIVISION shall formulate a system of records and accounting which at all times shall indicate the source, nature, and extent of its purchases, and the source, nature, and extent of its sales.
