No. 5

(Senate Joint Resolution No. 7)

A Senate Joint Resolution concerning

Alcohol Fuels

FOR the purpose of encouraging the Congress of the United States to enact legislation to promote development, production, and use of domestically produced agricultural and biomass alcohol fuels.

There is a national shortage of liquid energy which affects every State of our Union.

The United States is overly dependent on unstable and interruptible foreign liquid energy sources.

The United States can obtain renewable liquid energy from agricultural and other biomass sources; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Congress of the United States of America is encouraged to pass legislation which will promote the development, production, and use of domestically produced agricultural and biomass alcohol fuels in the United States; and be it further

RESOLVED, That a copy of this Resolution be sent to the Honorable Walter F. Mondale, President of the United States Senate, The Capitol, Washington, D.C. 20510, and the Honorable Thomas P. O'Neill, Jr., Speaker of the United States House of Representatives, The Capitol, Washington, D.C. 20515; and be it further

RESOLVED, That a copy of this Resolution be sent to the Maryland Congressional Delegation: Senators Charles McC. Mathias, Jr. and Paul S. Sarbanes, Senate Office Building, Washington, D.C. 20510; and Representatives Robert E. Bauman, Clarence D. Long, Barbara A. Mikulski, Marjorie S. Holt, Gladys N. Spellman, Beverly B. Byron, Parren J.
