

Driver Education - Fuel Economy

FOR the purpose of urging the Department of Education to include motor fuel economy advice in the driver education program ~~and--in--the--"Maryland--Driver's Manual";~~ and requesting the State Motor Vehicle Administration to include motor fuel economy information in the "Maryland Driver's Handbook".

WHEREAS, The President of the United States has stated that motor fuel conservation is a national priority; and

WHEREAS, The cost of gasoline is continually skyrocketing; and

WHEREAS, Gasoline is a limited, unrenewable energy resource; and

WHEREAS, Motor fuel conservation will help break the present dependence of the United States on the foreign oil-producing states; and

WHEREAS, Many driving habits are formed during a driver education program while young drivers are learning how to drive; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the State Department of Education is requested to include in the drivers' education program information on motor fuel conservation and economy; and be it further

~~RESOLVED, That the State Department of Education is requested to include in the "Maryland Driver's Manual" a section on fuel economy~~ Motor Vehicle Administration is requested to include motor fuel conservation and economy information in the "Maryland Driver's Handbook"; and be it further

RESOLVED, That a copy of this Resolution be sent to Mr. David W. Hornbeck, State Superintendent of Schools, Post Office Box 8717, Baltimore-Washington International Airport, Baltimore, Maryland 21240; and to Mr. William Bricker, Director, Motor Vehicle Administration, 6601 Ritchie Highway, Glen Burnie, Maryland 21062.

Signed May 6, 1980.
