

This bill authorizes the creation of a State debt in the amount of \$2,000,000 to fund the Energy Saving Devices Loan Program in the Department of Economic and Community Development.

Section 2 of the bill provides that the bill shall take effect on July 1, 1980, contingent on the taking effect of Senate Bill 191 of the same Session. Section 2 of the bill further provides, "(s)hould that measure (S.B. 191) fail of enactment, the provisions of this Act are null and void without the necessity of further action by the General Assembly."

In view of the fact that Senate Bill 191 did not pass the 1980 Session, Senate Bill 193 cannot be given effect.

For this reason, I have decided to veto Senate Bill 193.

Sincerely,
Harry Hughes
Governor
