Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 469.

This bill would amend the enabling statute of the State Board of Barber Examiners to require that one of the members of the Board represent beauty culture schools. The bill would prohibit this member from participating in grading examinations, inspecting beauty culture schools, or determining the qualifications for licensing of schools as administered by the Board.

In both his bill review letter to me and his Report on the State Board of Barber Examiners, the Attorney General expressed his concern regarding the anti-competitive impact of this bill. I share that concern.

Therefore I have decided to veto Senate Bill 469.

Sincerely,
Harry Hughes
Governor

Senate Bill No. 470

AN ACT concerning

FOR the purpose of requiring one member of the State Board of Cosmetologists to represent schools of beauty culture; prohibiting this member from participating in certain actions; and correcting an error.
