

obligations existing between the insured and insurer. Moreover, we notice that the Bill is described as limiting "payment" of uninsured motorist coverage, while the substance of the Bill transfers "coverage" for claims made against insolvent insurers from the claimant's insurer to MIGA. Maryland Constitution Article III, Section 29, requires that all laws enacted in this state "shall embrace but one subject, and that shall be described in its title" - Senate Bill No. 653 appears to violate this constitutional requirement.

Senate Bill No. 688

AN ACT concerning

Sales Tax - Residential Utilities -  
Automatic Termination

FOR the purpose of repealing the automatic termination provision of the retail sales tax exemption for sales of certain residential utilities.

May 27, 1980

Honorable James Clark, Jr.  
President of the Senate  
State House  
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 688.

This bill repeals the automatic termination provision of the retail sales tax exemption for sales of certain residential utilities.

House Bill 620, which was enacted by the General Assembly and signed by me on May 20, 1980 accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 688.
