

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 902.

This bill expands the definition of "industrial project" in which the Maryland Industrial Development Financing Authority may participate to include a sports stadium utilized by a major league professional sports franchise.

House Bill 1886, which was enacted by the General Assembly and signed by me on May 6, 1980 accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 902.

Sincerely,  
Harry Hughes  
Governor
