bridges and culverts to comply with the Manual on  
Uniform Traffic Control Devices.

May 27, 1980

Honorable Benjamin L. Cardin  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the  
Maryland Constitution, I have today vetoed House Bill 671.

This bill provides that weight and speed limitation  
signs on bridges and culverts shall be worded in accordance  
with the standards in the manual on uniform traffic control  
devices.

House Bill 599, which was enacted by the General  
Assembly and signed by me on May 6, 1980 accomplishes the  
same purpose.

Therefore it is unnecessary for me to sign House Bill  
671.

Sincerely,  
Harry Hughes  
Governor
