

EXECUTIVE ORDERS

rehabilitation in order that more and more will have marketable job skills.

9. The functions of the Committee shall be to:

(a) Plan and carry out year-round education programs designed to promote a climate of public awareness and understanding of the attitudinal, architectural, educational housing, transportation, and other barriers to employment and life quality faced by the disabled;

(b) Stimulate state and local community interest by securing the active cooperation and participation of such "public" as business and industry, labor, government, educators, public and private agencies serving the disabled, consumers, consumer advocates and civic organizations;

(c) Plan, carry out and/or participate in special events and programs designed to highlight abilities of qualified disabled persons and programs to facilitate employment of such persons;

(d) Provide information and referral service to the community;

(e) Encourage and facilitate the development and functioning of local committees on employment of the handicapped;

(f) Coordinate with and participate in activities of other public and private agencies; and

(g) Cooperate with the President's Committee on Employment of the Handicapped in programs and activities initiated at the national level.

10. The Governor's Committee on Employment of the Handicapped shall promulgate and adopt a set of By-Laws and operating procedures that are consistent with the intent of this Executive Order and these By-Laws shall be on file in the Governor's Appointment Office.
