

(2) Establish, maintain, and publicize a used oil information center that will explain local, State, and federal laws and regulations governing used oil and will inform holders of quantities of used oil on how and where, and in what manner used oil may be properly disposed of;

(3) Encourage the establishment of used oil collection and recycling programs and provide technical assistance to persons organizing these programs; and

(4) Encourage the use of labeling for oil containers to inform the user of the importance of proper collection and disposal of used oil.

(e) Collection facilities. -- The Department OF HEALTH AND MENTAL HYGIENE may designate Maryland State inspection facilities and may designate any other facilities it deems appropriate which are safe and conveniently located and which agree to serve as collection facilities for the deposit of used oil. There is no cost to a person making the deposit. Each designated facility shall post and maintain a durable and legible sign readily visible in an appropriate place which indicates the facility is designated as a used oil disposal location. The designated facility shall install and maintain on the premises used oil collection containers, properly sheltered and protected to prevent spillage, seepage, or discharge of the used oil into the water of the State, and of sufficient size to handle returns of used oil and used oil containers. Each designated facility regularly shall remove and dispose or have removed and disposed by used oil collectors, the accumulated oil in a manner as required by law.

(g) Report to General Assembly. -- The Department OF HEALTH AND MENTAL HYGIENE shall prepare and submit an annual report to the General Assembly summarizing information on used oil collection and recycling, analyzing the effectiveness of the act's provisions and their implementation, and making recommendations for any necessary changes in the provisions or their administration.
