

four day week or at student rates in order to increase the number of available positions;

(g) means by which intern programs in State government may be improved and expanded;

(r) the appropriateness of facilitating entry into the classified service of persons successfully completing summer or CETA employment;

(s) review of age and education requirements in occupational licensing laws with a view to elimination of unnecessary and outmoded requirements; and

(t) such other related subjects as may be appropriate for consideration in the view of the Task Force;

4. The Task Force shall organize itself into subcommittees on the following three subjects and such others as may be designated by the Chairman:

(a) legal burdens upon, and impediments to, youth employment;

(b) educational, apprenticeship, tax incentive, and wage subsidy programs; and

(c) State government employment;

5. The Task Force may submit interim reports on matters not requiring legislation. It shall submit its final report and shall cease to exist on December 1, 1980; and

6. The Task Force shall hold hearings and conduct appropriate studies. All departments and agencies of State government shall cooperate with the Task Force in carrying out its work. Staff support to the Task Force shall be provided by the Division of Labor and Industry, Department of Licensing and Regulation and by the Department of Education.
