

AN ACT concerning

The Classification Plan for Prince George's County

FOR the purpose of adding certain new classes of work; deleting certain obsolete classes of work; changing the grade level of and changing the titles of certain classes of work so as to provide for a more orderly and equitable system of classification of employees.

WHEREAS, the County Executive, pursuant to Section 903 of the Charter and Section 16-125(a) of Subtitle 16, of the Prince George's County Code, 1975 Edition (December 1978 Supplement), has recommended to the County Council amendments to the Classification Plan for Prince George's County with respect to certain classes of work, described within Section 1 of this bill, such being either new classes recognized by the County to provide better governmental services, removal of obsolete classes of work, pay grade reassignments of classes in order to effect more equitable internal alignment within the existing County Classification Plan, and title changes which more accurately reflect the nature of work performed.

Approved December 17, 1979.
