

THE DIVISION DIRECTOR SERVES AT THE PLEASURE OF THE SECRETARY.

(D) COMPENSATION.

THE DIVISION DIRECTOR IS ENTITLED TO THE SALARY PROVIDED IN THE STATE BUDGET.

REVISOR'S NOTE: This section is new language derived without substantive change from the fifth through the eighth sentences and the last clause of the last sentence of Art. 23, § 161G(a) and from Art. 23, § 161E(e) (2).

As to subsection (a) (2) of this section, the present phrase "unexpired portion of the term" is deleted as misleading since the Director has no set term.

In subsection (b) (2) (i) of this section, the phrase "foreign or Maryland" is added to make clear that experience with an association of another state is acceptable. This result is derived from Ch. 194, Acts of 1978, which deleted the former provision that required the Division Director's experience to have been only with a State-chartered association.

As to subsection (b) (2) (ii) of this section, the term "state" is used in the generic sense and means of any state, as defined in § 1-101 of this article. This is a result of Ch. 194, Acts of 1978, which deleted the phrase "chartered or incorporated under the laws of Maryland", that had modified "association".

The provisions in present Art. 23, § 161E(e) (2) that relate to selection of candidates for the original Division Director are deleted as obsolete. This deletion corrects an inadvertent discrepancy as to the number of names to be submitted to the Secretary as nominees. Although present Art. 23, § 161E(e) (2) requires a list of five names, present Art. 23, § 161G(a) was amended by Ch. 194, Acts of 1978 to provide that only three names be submitted to the Secretary. The Commission adopts the procedure of three names set forth in present Art. 23, § 161G(a) as being the later enactment.

Note that, as a practical matter, the Division Director carries out the policies and administers the rules and regulations set by the Board of Commissioners. Both the Board of Commissioners and the Division are within the Department of Licensing and Regulation, and the Division is
