

A RESOLUTION ADOPTED UNDER THIS SECTION IS ADMINISTRATIVE IN NATURE AND IS NOT SUBJECT TO REFERENDUM.

REVISOR'S NOTE: This section is new language derived without substantive change from the first two clauses of the first sentence and the entire second and third sentences of Art. 41, § 266W(a) and from the last two sentences of § 266W(e).

Throughout this section, the term "public body" is substituted for references to a "municipality or county". See revisor's note to § 13-101(o) of this subtitle.

As to subsection (a) of this section, the present language is restated for simplicity as a formal definition, and the term "resolution" is adopted as the defined term in place of present references to an "ordinance or resolution".

In subsection (a) (3), the present reference to a "determination" by the State Aviation Administration is deleted as unnecessary given the required approval of the Secretary of Transportation.
