

(j) Training. -- The [State] Department of Health and MENTAL HYGIENE [the State Department of Water Resources] shall make such training reasonably available throughout the State as is necessary for the purposes of this section.

465. Construction of Subtitle.

This subtitle shall constitute full and complete authority, without regard to the provisions of any other law for the doing of the acts and things herein authorized, and shall be liberally construed to effect the purposes hereof; provided, however, that nothing herein contained shall be taken as restricting any control which the [State Board] DEPARTMENT of Health AND MENTAL HYGIENE [of Maryland, the Department of Geology, Mines and Water Resources and the Water Pollution Control Commission] AND THE DEPARTMENT OF NATURAL RESOURCES are empowered to exercise over or within any authority.

The foregoing sections of this subtitle shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby, and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.

All laws or parts of laws inconsistent with the provisions of this subtitle are hereby repealed to the extent of such inconsistency.

671. Construction.

(a) Liberal construction; exercise of control by certain board, department and commission. -- This subtitle shall constitute full and complete authority, without regard to the provisions of any other law for the doing of the acts and things herein authorized, and shall be liberally construed to effect the purposes hereof; provided, however, that nothing herein contained shall be taken as restricting any control which the [State Board] DEPARTMENT of Health AND MENTAL HYGIENE AND THE DEPARTMENT OF NATURAL RESOURCES [of Maryland, the Department of Geology, Mines and Water Resources and the Water Pollution Control Commission] are empowered to exercise over or within any district.

722. Annual [Joint] report summarizing water pollution control program.

As a part of the comprehensive water pollution control program, the [State] Department of Health and MENTAL HYGIENE [the Department of Water Resources] shall submit a [joint] report to the Governor and to the General Assembly no later than June 1, 1969, which shall summarize the water pollution control program for the State. The report, which shall be prepared annually, shall include:

723. Training of personnel.
