and Hearings
General Fund Appropriation....

1,195,969
1,079,403
1,127,066
1,103,235

It is the intent of the General Assembly that this appropriation shall not be used in any way to implement changes in parole procedures or policies that would increase the risk to public safety for the citizens of Maryland. It is the further intent that any such proposed changes in rules, policies, or procedures shall be subject to review as provided by law and such review shall take into account this expression of legislative intent.
