

The present requirement in Art. 43, § 503(a) that an applicant list the names of the teachers under whom the applicant studied chiropractic is deleted as obsolete and impractical.

The provision in present Art. 43, § 503(a) that requires an applicant to apply for a license "at least twenty (20) days prior to any meeting of said Board" is deleted as misleading in light of the last sentence of present Art. 43, § 501(b), which provides that an application for an examination be submitted to the Board 15 days before the examination and in light of current Board practice.

The present requirement of Art. 43, § 503(b) that the application fee be paid specifically to the secretary-treasurer of the Board is deleted as unnecessary. The present provision that relates to the additional \$25 fee that is payable on issuance of a license now appears in § 3-306 of this subtitle.

As to the meaning of "verified" see § 1-201 of this article.
