REVISOR'S NOTE: This section is new language derived
without substantive change from the second phrase
of the third sentence of Art. 43, § 501(c) and
the last clause of the first sentence of §
503(b).

The reference to a license fee in subsection (a)
of this section is new language derived from the
requirement in present Art. 43, § 503(b) that \$25
be "paid upon issuance of a license". The
balance of subsection (a) of this section is
standard language added to this and, where
necessary, corresponding sections of other titles
of this article. The language states expressly a
provision that presently is only implied in the
law: i.e., that the Board has the duty to issue a
license to a qualified applicant.

Subsection (b)(2) of this section is new language
added to require expressly that a license issued
under this title designate the type of practice
for which the licensee has qualified.

As to the balance of present Art. 43, § 503(b),
which requires the payment of the additional \$25
application fee, see § 3-303 of this subtitle.
